plead that difficulties in recovering the loans disbursed in earlier years have now discouraged them from extending further credit under the Differential Interest Rate Scheme.

If the lending under the DIR Scheme by Commercial Banks is to be dynamically stepped up, it is apparent that further State Governmental support for such a Programme needs to be seriously considered In the past, the Block Development Officers were designated as the "Credit Assistant Officers" under this scheme and were largely responsible for identifying the beneficiaries. A few months ago, Government issued Circular instructions to Block Development Officers directing them to assist the Commercial Banks in recovering loans already disbursed under the Scheme particularly where the Block Development Officers had been responsible for the identification of beneficiaries.

Notwithstanding all this support given by the Government to the Commercial Banks in the matter of recovery, required amount of institutional credit to weaker section under DIR Scheme is not forthcoming from the Commercial Banks. As the scheme is of great help to the artisans and other weaker sections of society, it is felt that by giving a guarantee to the Commercial Banks in respect of loans given under DIR, the resistance can be overcome and a regular and smooth flow of cheap credit can be achieved.

ORDER No. PD 105 PIF 78, BANGALORE DATED THE 11TH JANUARY 1979.

Afer careful consideration, Government of Karnataka are pleased to offer guarantee to the Public Sector Commercial Banks in respect of loans given by them under the Differential Interest Rate Scheme.

This Order issues with concurrence of Finance Department.
